vprakashpate@gmail.com

Bhugoan Mulshi | Pune,
Maharashtra

<https://github.com/vishalpate10>

SKILLS

- Python
- Python Libraries
{ Pandas ,Numpy ,Matplotlib
Seaborn }
- SQL
- Power BI
- ML
- Excel

TOOLS

- Google Colab
- Github
- Streamlit
- Jupyter Notebook
- Mysql
- VS Code
- Chat GPT

SOFT SKILLS

- Problem Solving
- Analytical Thinking
- Decision Making
- Attention to Detail
- Time Management
- Team Collaboration

PROFILE

Analytical and motivated Data Analyst & aspiring Data Scientist with hands-on experience in Python, SQL, Power BI, and machine learning models. Skilled in data cleaning, visualization, and predictive modeling using tools like Streamlit, Pandas, and Scikit-learn. Built real-world ML apps for user behavior, price prediction, and student performance clustering. Passionate about using data to solve business problems and support decision-making.

PROJECTS

ML

Classification:

- CatBoost Classifier to predict whether a user will like a movie based on factors like watch time, genre, device, and user demographics

Regression:

- Developed a Streamlit web app to predict used car prices using a trained Random Forest Regressor. The model takes specifications like year, fuel type, transmission, etc., to estimate prices.

Clustering :

- Built a Streamlit-based clustering app that segments student performance using K-Means clustering. Users can upload academic datasets (CGPA, scores, etc.), and the app automatically detects numeric fields for analysis.

SQL

- Designed a relational database schema for an online bookstore with core entities: Books, Customers, and Orders. Enabled stock tracking and customer order management with efficient SQL queries.

POWER BI

- Created a Power BI dashboard to visualize Ecommerce KPIs like sales, profit, and customer metrics. Designed interactive charts and filters for category-wise and region-wise insights. Used DAX and slicers to enhance user interaction and support strategic decisions.

EDUCATION

Master in computer Applications (pursuing) 2024 - 2026

Vishwakarma University (VU) | Pune ,Maharashtra

Bachelor in Computer Science

Tilak Maharashtra University | Pune, Maharashtra 2021 - 2024

GPA: 7.23 / 10.0

HSC 2019 - 2021

AG High School & JR Collage | Dapoli, Maharashtra

Percentage: 80.33 / 100

SSC

Dnyandeep Vidyamandir | Dapoli, Maharashtra

2019

Percentage: 72.20 / 100
